

WELCOME TO OUR Monthly Newsletter

Yay Today Update

At Yay Today, we are here for you and committed to helping you achieve your goals.

This month, we have exciting new programs and events! Our art class offers a fantastic way to express yourself and learn new techniques.

With school holidays coming up, join our all-ages School Holiday Program for fun activities like art, cooking, and social events. We're also excited to launch our Psychosocial Program on June 14, designed to blend socialisation, learning, and encouragement.

Thank you for being part of our vibrant community!

New Team Member Alert

THIS IS EINAT, OUR ROSTER COORDINATOR!

We are excited to introduce Einat, our newest team member at Yay Today! You might have already met her in person or spoken with her over the phone. Einat will be your main contact for support requests or rescheduling appointments. Her dedication to providing exceptional service makes her a fantastic addition to our team. Please join us in welcoming Einat to the Yay Today family!

Disability School Expo

CONNECTING WITH FUTURE TALENTS AT BERENDALE SCHOOL

As we expand our programs, we absolutely love seeing you enjoy them. Recently, we had the opportunity to visit Berendale School, meet the students, and share information about our School Leaver Employment Supports (SLES) and employment programs. It was a fantastic experience to engage with enthusiastic young minds, discuss their future aspirations, and introduce them to the various opportunities our programs offer. We look forward to continuing this collaboration and supporting these students on their journey towards successful and fulfilling careers.

Psychosocial Program

STARTS ON FRIDAY- JUNE 14

We have been looking forward to this as much as you have! We are excited to launch our new psychosocial program—the perfect combination of socialisation, learning, and encouragement to positively improve your life.

Hospitality Program

THE ART OF COFFEE

Our talented barista teacher brewed up some serious coffee knowledge. From the robust Ristretto to the smooth Flat White, our students mastered the art of each delicious variant.
